3 These dates are set at the direction of the Court after reviewing the joint status report and
4 discovery plan submitted by the parties. All other dates are specified in the Local Civil Rules.
5 If any of the dates identified in this Order or the Local Civil Rules fall on a weekend or federal
6 holiday, the act or event shall be performed on the next business day. These are firm dates that
7 can be changed only by order of the Court, not by agreement of counsel or the parties. The
8 Court will alter these dates only upon good cause shown: failure to complete discovery within
9 the time allowed is not recognized as good cause.

10 If the trial date assigned to this matter creates an irreconcilable conflict, counsel must
11 notify the Deputy Clerk, Eileen Scollard, in writing within 10 days of the date of this Order and
12 must set forth the exact nature of the conflict. A failure to do so will be deemed a waiver.
13 Counsel must be prepared to begin trial on the date scheduled, but it should be understood that
14 the trial may have to await the completion of other cases.

15 **COOPERATION:**

16 As required by CR 37(a), all discovery matters are to be resolved by agreement if
17 possible. Counsel are further directed to cooperate in preparing the final pretrial order in the
18 format required by CR 16.1, except as ordered below.

19 **EXHIBITS:**

20 The original and one copy of the trial exhibits are to be delivered to chambers five days
21 before the trial date. Each exhibit shall be clearly marked. Exhibit tags are available in the
22 Clerk's Office. The Court hereby alters the CR 16.1 procedure for numbering exhibits:
23 plaintiff's exhibits shall be numbered consecutively beginning with 1; defendant's exhibits shall
24 be numbered consecutively beginning with the next number not used by plaintiff. Duplicate
25 documents shall not be listed twice: once a party has identified an exhibit in the pretrial order,
26 any party may use it. Each set of exhibits shall be submitted in a three-ring binder with

1 appropriately numbered tabs.

2 **SETTLEMENT:**

3 Should this case settle, counsel shall notify Eileen Scollard as soon as possible at 206-
4 553-1801. Pursuant to GR 3(b), an attorney who fails to give the Deputy Clerk prompt notice of
5 settlement may be subject to such discipline as the Court deems appropriate.

6 A copy of this Minute Order shall be mailed to all counsel of record.

Re: *Conroy v. City of Seattle*
U. S. District Court Cause No. C-02-2380P

Dear Mr. Van Blaricom:

I am enclosing a number of documents for your review as well as photographs, a videotape taken by a neighbor and a videotape of a public access TV program.

The Complaint filed in the case provides a recitation of the relevant facts. Mr. Conroy has no prior criminal history and his bizarre behavior on the date of the incident resulted from his discontinuation of medication several months prior.

While we have no problem with the police responding to a neighbor's complaint, we are concerned with police procedures that followed thereafter during this lengthy event. As you will see from the materials, a SWAT team armed with less lethal weapons, rushed Mr. Conroy. He was hit in the vicinity of his left eye by a plastic baton round resulting in loss of his eye.

I am also enclosing a copy of two recent Ninth Circuit cases, *Deorle v. Rutherford* and *Drummond v. City of Anaheim*. You may already be familiar with these opinions which appear to support Mr. Conroy's claim that excessive force was utilized against him.

The enclosed materials obtained through discovery provide details of the events of August 9, 2001. Please note that on August 8, 2001, King County Crisis & Commitment Services Mental Health Professionals had met with family members at Mr. Conroy's home. Family members were concerned that Mr. Conroy had stopped

D.P. Van Blaricom
October 20, 2003
Page 2.

taking medication and had removed items of furniture which were placed in the front of his home. Mr. Conroy would not talk to the mental health professionals. The MHPs determined there was insufficient evidence to proceed with an involuntary commitment.

On the day of the incident, King County Mental Health Crisis & Commitment Services received a call from Seattle Police Department Officer Susie Parton. A copy of MHP notes is provided to you. You can see that approximately 3:30 p.m. two MHPs arrived at the scene and advised police that they "did not have sufficient evidence for involuntary commitment at this point."

In responding to interrogatories, the City had admitted that police lacked probable cause to believe Mr. Conroy had committed a particular crime or was a victim of a particular crime. There was also no indication that anyone else was in the house with Mr. Conroy or that he had weapons.

The SWAT crisis team which used force in taking Mr. Conroy into custody was situated at the street side of a shed on Mr. Conroy's property. As you can see from the enclosed photographs, the officers moved from that location toward Mr. Conroy's front door. We have measured the distance from the corner of the shed to the front porch. That distance is approximately 30 feet (9 meters).

Please provide an opinion regarding police procedures in this case. Was the use of force excessive under the circumstances? Should it have been clear to a reasonable officer at the time of the encounter that the force to be used was unlawful? How should the situation have been handled differently? As I indicated in our recent telephone conversation, we are on a very tight schedule and would appreciate hearing from you as soon as possible.

Thank you for your prompt attention to this matter. Please contact me if you need further information or documentation.

Very truly yours,

Re: Conroy v. City of Seattle, et al.
U.S. District Court Cause No. C02-2380P

Dear Raul:

In checking with Federal Rule 39.1 and the Western District of Washington website, I have come up with a list of proposed mediators. I suggest consideration be given to Retired Judge George A. Finkle, Larry Levy, and Retired Judges Sally Pasette or Rosselle Pekelis.

If you provide me with a list of acceptable mediators, I will undertake the task of securing available dates. I assume we are talking about late October or early November. Please let me know available dates for you and Ted.

I will provide the executed stipulation and authorizations for release of medical information to you under separate cover. I have not received any copies of medical records pursuant to earlier consents signed by Mr. Conroy. I assume you will provide a copy of all records obtained, so I will not have to duplicate the process.

Finally, I enclose a copy of a "report" from David S. Roys, M.D., addressed to attorney James Roe which contains Mr. Conroy's diagnosis. Obviously, Dr. Roys is an expert witness on behalf of Mr. Conroy and this is the only report we have received from him to date.

Very truly yours,

Re: James Raymond Conroy
DOB 10/23/1959

Dear Mr. Roe:

I have been treating James R. Conroy since September 11, 2001. At the to his request, I am writing this letter which he understands will be forwarded to be appropriate court authority. His diagnosis is as follows:

DSM-IV diagnosis:

Axis I: Bipolar illness, last manic, in partial remission
Axis II: none
Axis III: injury to left eye from bullet
Axis IV: recovery from gunshot, social isolation
Axis V: GAF (current) 65 GAF (highest in past six months) 65

Mr. Conroy is currently stabilized on Zyprexa 15 milligrams daily and chlorthalidone 25 milligrams on as needed basis. He has been very compliant with his medications, and is not a risk to the community. I plan to continue seeing him on a monthly-quarterly basis or more often as his condition warrants. I will be happy to provide progress notes to the appropriate person.

If I can be of any further assistance in this matter, please feel free to contact me.

Sincerely,

David S. Roys, M.D.
